

COMMERCIAL CLEANING

EDUCATION & SPORTING FACILITIES

REDCLEAN understands the varied cleaning requirements of schools, universities, sporting facilities and entertainment venues. Redclean have the team and equipment to meet your cleaning needs to ensure that large spaces and bathrooms are hygienically clean and that your car parks are in A1 condition.

REDCLEAN cleaners are trained to deliver the best possible result for you and are supported by our head office team including an Operations Manager who is contactable 24/7. Our fastidious cleaners are committed to delivering a reliable, quality service with a focus on attention to detail. The scope of Redclean's operation means that besides maintaining amenities, we have the capacity to provide the following additional services:

- Office, reception & canteen cleaning
- Window cleaning
- Carpet cleaning
- Bathrooms & change rooms
- Basketball court floor cleaning
- Graffiti removal
- Lawn mowing
- Pressure cleaning & pool cleaning
- Exterior blow/vac and car park cleaning using industrial ride-on sweepers.
- Tree trimming. high -rise cobweb removal

We understand that your facilities take a beating. Carpets get soiled and bathrooms in continual use need a thorough clean. We also know that you may often call on us for an emergency clean at the last minute.
